

Paperless Scholarship Disbursement System

Digital Transformation for Education

Slide 1 of 7

Revolutionary Digital Platform

A comprehensive solution for scholarship applications, verification, and disbursement with cutting-edge technology integration

Secure Login

Multi-tier authentication system

Digital Forms

Paperless application process

AI-Powered

Chatbot assistance & automation

Multi-Tier Authentication System

Slide 2 of 7

Student Login

- Face recognition verification
- CAPTCHA protection
- Secure authentication
- Application tracking

Government Login

- Administrative access
- Application review portal
- Approval/rejection system
- Disbursement management

User Login

- General user access
- Information portal
- Status checking
- Support access

Student Application Portal

Slide 3 of 7

Streamlined Application Process

Apply for scholarships with ease and track your progress

Application Categories

1. New Application

Start a fresh scholarship application

2. Apply Now

Quick application for eligible students

Required Information

- Name
- Gender
- Phone Number
- Parent Name
- Total Income
- Bank Details
- Age
- College Name
- Email ID
- Parent Number
- Aadhar Card No.
- Previous Year Marks

Maximum Scholarship Amount: ₹0 - ₹3,00,000

Document Management & Verification

Slide 4 of 7

Smart Document Processing

Upload & Scan Features

Document Scanning

AI-powered document scanner with OCR

File Upload

Direct file upload with validation

Auto-Verification

Automatic document authenticity check

Required Documents

| | |
|-------------------------|------------|
| Aadhar Card | ✓ Required |
| Income Certificate | ✓ Required |
| Bank Passport | ✓ Required |
| Previous Year Marksheet | ✓ Required |
| College ID | ✓ Required |
| Ration Card | ● Optional |

Email Notifications & Communication

Slide 5 of 7

Automated Communication System

Email Verification

Instant email verification pop-up notification upon form submission

Application Copy

Automatic copy of submitted application sent to registered email

Status Updates

Real-time notifications for application approval/rejection and amount transfer

Notification Timeline

Form Submission → Instant email verification

Government Review → Status update email

Final Decision → Acceptance/rejection notification

Fund Transfer → Confirmation email with transaction details

Advanced Security & AI Features

Slide 6 of 7

Blockchain Security

Immutable Records

All transactions recorded on blockchain for transparency

Smart Contracts

Automated disbursement through smart contracts

Data Integrity

Tamper-proof application and verification data

AI Chatbot Integration

24/7 Support

Round-the-clock assistance for queries

Application Guidance

Step-by-step help through application process

Status Inquiry

Real-time application status updates

Biometric & Security Features

Face Recognition

Human verification during application

CAPTCHA

Bot detection during login

Multi-Factor Auth

Enhanced security layers

OTP Verification

SMS/Email verification

System Benefits & Implementation

Slide 7 of 7

Key Benefits

For Students

- ✓ Paperless application process
- ✓ Real-time application tracking
- ✓ 24/7 chatbot support
- ✓ Instant email notifications
- ✓ Secure document storage

For Government

- ✓ Streamlined verification process
- ✓ Blockchain-secured transactions
- ✓ Automated disbursement system
- ✓ Reduced administrative overhead
- ✓ Comprehensive audit trails

Ready for Digital Transformation

This comprehensive system revolutionizes scholarship disbursement with cutting-edge technology, ensuring transparency, security, and efficiency for all stakeholders.
